Jean Winegardner LABOR DAY FAMILY CAMP Scholarship Application Form

SCHOLARSHIP INFORMATION:

The Jean Winegardner Family Camp Scholarship was created by her daughter and husband in her honor and memory. Jean was a dear friend and supporter of Outdoor Ministries. Family Camp, in July of 1960, was a life changing experience for her family and started what would become a lifelong love of Outdoor Ministries of the United Church of Christ. She was passionate about the camps, serving on many boards and committees through the years, as well as returning often to direct camps. "Nothing would please her more than to know other families will have the opportunity for the life changing experience of camp." **One scholarship will be awarded each year.** This scholarship can provide up to 60% of the registration cost for one household/family to attend the Labor Day Family Camp at Templed Hills.

POLICIES:

All campers must include their non-refundable deposit with their registration. *It is recommended that the camper assume some financial responsibility, no matter how small. It is expected that the Responsible Person listed above will be in close contact with the participant in order that essential questions like what to take and transportation to camp are met. Some previously sponsored participants failed to arrive at camp. It was later learned that this, in some cases, was due to the fact the sponsored participant had no transportation. It is of paramount importance that someone from the sponsoring organization maintains close contact with each sponsored participant in order that such needs be identified and given a response. Scholarship applications must be endorsed/signed your pastor and are to be approved by the Outdoor Ministries Registrar and Chair, Division for Outdoor Ministries. **Submit applications before June 20, 2016 to the address shown above.** The scholarship will be awarded by June 27, 2016 and all applicants will be notified by June 30, 2016.
